

We would like to offer the WORLD OF WONDERS ENTERTAINMENT EXPERIENCE for your guests at this year's event. Our one-of-a-kind production has proven to be America's Favorite Family Show. Our easily configurable layout is adaptable to many unique space situations.

The World of Wonders Entertainment Experience encompasses TWO ATTRACTIONS IN ONE PACKAGE!

In the rich tradition of the giant fairgrounds shows, World of Wonders has recreated this American experience incorporating modern technology and resulting in a hybrid exhibit of the highest quality. This entertainment was presented by us on four separate occasions at the Smithsonian Institution in Washington D.C., and was proclaimed an indigenous American art form.

Here is your opportunity to allow your patrons the unique experience of seeing 10 live acts on stage.

A chance for parents and grandparents to bring their children to see the same kinds of acts they have enjoyed on America's Got Talent!

The WORLD of WONDERS is a show that is inspiring, entertaining, and educational for the entire family!
